## Sonic electric toothbrush

### Specification

1. Material: ABS+TPE, DuPont Nylon
2. Product N.W.: 141g;
3. Charging : USB + Micro (Wireless inductive charging)
4. Waterproof: IPX7
5. Smart time: 2 minutes teeth brush timing, 30s short suspending shifting design;
6. Rated working voltage/. Power: DC 3.7V/1.8W
7. Charging input voltage/ power:: DC 5V/2.5W
8. Battery Capacity/Charging time: 1200mAh/15 H
9. Battery Life: About 55 Days

### Advantage

1. Magnetic suspension sonic wave motor, power output vibration frequency 31000-38000 times/minute.
2. 5 types teeth clean modes, 3 gears electrodeless speed change, assemble 15 types teeth clean modes.
3. Brush head 2 bunches discolour hair, 1/3 or 1/2 change to be light color after 3 months then remind to renewal brush head..
4. Over charge and over discharge protection, low power reminding.

### Packing

1. Unit weight (with color box) kg: 0.235
2. Quantity (PCS) : 36
3. Net weight (kg) : 8.46
4. Gross weight (kg) : 9.46
5. External box size (cm) : 44.5\*21.5\*33.5
